General Information

Technical Regulations Purpose

This is to be read in conjunction with the [GNSW General Regulations Section](#).

The FIG Code of Points and Technical Regulations, and the Gymnastics Australia Technical Regulations provide governance for Rhythmic Gymnastics (RG). This handbook provides RG in NSW with general and program information, technical regulations, event information and selection process, policies and forms.

The RG Gymsport Committee shall be master of its own procedures.

Where any event occurs that is not elsewhere provided in these regulations, any decision or action required shall be decided by a simple majority vote of the Committee, whose determination of the matter shall be final and not to be construed as having set a precedent.

Whereby error or omission any of the foregoing regulations shall require interpretation, the original intent of the Committee in the framing of the subject regulation shall prevail, rather than the letter of the law.

Key Focuses and Initiatives

The GNSW RG GC have identified three key focus areas and initiatives to support our Gymsport Annual Plans. These include but not limited to;

Development	Strategic	Engagement
Coach and Judge Education Courses	HP Squads	Community Zoom Meetings
Resources	Working Groups	Facebook Groups
Community Workshops and Clinics	Mentor Programs	Newsletters/Updates

If you have any suggestions, feedback or would like to get involved in the key focuses and initiatives please get in touch via the [online form](#).

Sport Specific Information

About RG

For more information about RG and how to get involved please refer to the [GNSW Website](#).

Program Information

Rhythmic Gymnastics in Australia is divided into two streams;

1. Levels Stream/Broad Participation: Individual Levels 1-10 and Multiples

- Works from the Australian Levels Program guidelines. This can be downloaded from the GA Website if you hold an RG accreditation.
- For Level 1-4 clarifications, please refer to the set fundamentals document located on the updates & clarifications section on the GNSW Technical Regulations Website.

2. High Performance Stream: International and Elite Individual and Group.

- Works from the FIG 2022 - 2024 Code of Points. This can be downloaded from the [FIG Website](#).
-

All errata's or clarification documents can be found on the on the Updates and Clarifications Section on the [GNSW Technical Regulations Website](#).

Competition Framework

The competitive stream offers a progression through various levels which aims to nurture gymnasts, build their ability and skills and prepare them for successful representation at national and international events. The competition framework and pathway diagram are shown in the [GA Regulations](#).

Levels 1-4 and Development Individuals are implemented within the states and territories and have the goal of encouraging participation. Level 1-4 gymnasts do not compete at national events. Development Individuals (previously known as Stages) have the opportunity to compete in their own division at NCC, please refer to the [GA Technical Regulations](#) for more information.

General Regulations

To access all club, coach, judge, athlete, volunteer and competition regulations, please visit the [GNSW Technical Regulations Website](#).

Additional Judge Regulations

Judge Accreditation

In Addition to the Accreditation Table located on the [General Regulations Website](#), Please see below additional information for each level of accreditation.

NSW Accreditation includes a different approach for L1-2 who are assessed on a variety of elements using a 3-tier scale.

Please note: These are recommended accreditation requirements in NSW only and judges must refer to the FIG and GA Technical Regulations when attending as a Judge at any GA or International events.

Judges Participation & Development

- All accredited Judges are eligible to judge line and time at GNSW events.
- All Judges are permitted to sit in for shadow judging at Junior, Intermediate, and Multiples Events.
- Judges Briefings held on zoom prior to events are open invite and all are encouraged and welcome to attend.

Please note: At any GNSW State Championships, sit ins will not be possible. Sit ins for club invitationals should be requested through the host club.

Judge Attire

Judges must meet the dress requirements as listed in the [GA Technical Regulations](#).

Judges who do not conform to the competition attire dress code requirements may be asked to leave the competition floor.

Grand Prix Series Points & Overall Champion Club

At each Grand Prix and the State Championships, event points as shown below, will be added together to determine the overall Grand Prix Champion Clubs. Points will be awarded for Overall places in each multiples level/division across the competitions in the series. At the conclusion of the Multiples State Championships the top 3 clubs with the highest accumulated points from the series will be awarded.

The following table outlines how points will be awarded to each club at Grand Prix 1 & 2, and State. Points will be awarded for each category.

AA Place	1 st	2 nd	3 rd
Points	3	2	1

Intermediate Season: Divisions for Levels 5-8 may be split equally into smaller divisions by age/DOB, consideration will be given to group clubs together where possible.

Example 1; If there are in total 80 entries for Level 5 or 6;

Division 1 (Session 1- Floor 1) will be the youngest 20 gymnasts sorted by DOB.

Division 2 (Session 1- Floor 2) will be the next youngest 20 gymnasts sorted by DOB.

Division 3 (Session 2- Floor 1) will be the next youngest 20 gymnasts sorted by DOB.

Division 4 (Session 2- Floor 2) will be the oldest 20 gymnasts sorted by DOB.

Example 2; If there are in total 40 entries for Level 7 or 8;

Division 1- Session 1 will be the youngest 20 gymnasts sorted by DOB

Division 2- Session 2 will be the older 20 gymnasts sorted by DOB

Level	Age Divisions
Level 5	Turning 10 (2014) or over
Level 6	Turning 11 (2013) or over
Level 7	Turning 12 (2012) or over
Level 8	Turning 13 (2011) over

*Divisions at State Championships will be determined after the close of entries. Division sizes above are examples only and will depend on final entries received. GA Divisions will not be implemented at NSW State Championships for 2024. If Attending NCC, please refer to [GA Regulations](#) for age divisions and event requirements.

Junior Season:

Level 1 minimum turning 6 (2018), Level 2 minimum turning 7 (2017), Level 3 minimum turning 8 (2016), and Level 4 minimum turning 9 (2015) in year of competition.

Divisions: For Level 1-4, entries may be split equally into smaller divisions by DOB. DOB groupings per division will be determined after the close of entries. Consideration will be given to group clubs together where possible.

Level 1-2

Level 1-2 in NSW is assessed using a "1, 2, 3" model of judging where 3 is the highest and 1 is the lowest. 0 is only applied if element being assessed is missing entirely from the routine. Each element is assessed individually then added together to determine the final score.

If there is more than 1 judge, each final score is averaged out. This score then falls into either a gold, silver or bronze banding to determine the athletes final award.

Level 3-4

Level 3-4 is assessed using FIG Judging Model where DB, DA/Artistry/Fundamentals and Execution is assessed then combined to achieve the final score. This final score then falls into either a gold, silver or bronze banding to determine the athletes final award.

Progressions

HP Individuals and Groups

HP Individuals and Groups staying in the HP Pathway must follow the age requirements listed in the FIG CoP/[GA Technical Regulations](#) to determine what division to compete in. This includes HP Group gymnasts transitioning to HP Individual divisions.

Levels 1-9 for 2024

There is no mandatory progression for Levels 1-9. However, the table below outlines the exceptions for gymnasts attending NSW State Championships.

Coaches/Clubs have two options for L1-9 gymnast progressions, however, must follow the age requirements listed in the [Athlete Regulations Section](#) for each level;

1. A Gymnast may stay in the same level
2. A Gymnast may progress to the next level depending on the level being appropriate for their current skills and training hours required for that progression.

Levels 1-9 for 2024

Level	Progression
Level 1-4	There is no mandatory progression.
Level 5-6	Progression is effective immediately for gymnasts who competed in the 2024 GNSW State Championships and achieved AA gold banding awards and if age eligible
Level 7-8	Progression is effective immediately for gymnasts who competed in the 2024 GNSW State Championships and achieved top 3 AA in their Level/Division and if age eligible
Level 9	There is no mandatory progression, however a gymnast may wish to move to the High-Performance pathway after achieving a high standard at Level 9 if age eligible.

Cross and Mixed Club Entries

- Gymnasts in HP Groups do not have to be from the same club.
- Gymnast in Multiples can create a mixed club group if the club cannot make a group in that division from their own club.
- For mixed club entries, clubs must include this information on the entry form confirming the names and clubs in each group. Please refer to the [General Regulations Section](#) for full details.

The GC would like to reinforce how important it is to have arrangements clearly articulated and agreed at the start when forming a mixed club group. Please see below the communication guidelines between clubs when forming a group;

- Seek interest in own club
- Seek interest with other clubs via club owners/managers
- Communication must be between club owners and managers
- Club owners and managers to meet and discuss options
- Club owners/managers to confirm training and logistics
- Clubs owners/managers to contact their own members with training information

Please note; forming a mixed club group doesn't change athlete's registration or program fees with their affiliated club.

Teams

To be eligible for team awards at Senior, Intermediate, and Junior State Championships each club may enter a team in the below levels/Divisions.

- All Level 1-9 Divisions (determined after entries have closed/athletes allocated to Divisions)
- All HP Individual Divisions & Level 10

A team must have a minimum of three (3) and maximum of five (5) athletes.

The individual athlete scores for each team member, will be ranked and the best ten (10) scores will be used to calculate the overall team score for HP Individual Divisions & Level 9-10 and the best six (6) for Levels 1-8. If a team member is injured during the competition and doesn't complete all their routines, those scores can still be used to calculate the total team score.

Tied Scores

Where a tie is awarded, the tied recipients each receive the relevant award. The next place is not awarded.

Protesting Scores

There are no enquiries against the score at any GNSW RG events. Apparatus and All-Around Ties will not be broken.

Spare Apparatus

Any athletes coach may place replacement apparatus as per requirements from FIG for each apparatus if required. i.e. along two of the four lines of the floor area (not including the entry point).

For the Multiples Grand Prix & Development Series and Intermediate State Championships, a coach can put up to two spare apparatus on the competition floor area as per requirements from FIG. Coaches are responsible for placing this around the floor and retrieving it at the end of each routine.

Live Scoring

Live Scoring may be available at all GNSW RG Senior Season competitions, Intermediate State Championships and Multiples Grand Prix & Development Series & State Championships via the [online](#) app.

Please be aware that all scores displayed on the scoring program and at events are provisional until signed off by the respective committee members.

For the Junior Season, there are no score displays and results will not be published.

Country Championships

Please refer to the Country Championships Handbook for full details of this event. The Handbook can be found on the [GNSW Website](#).

Selection Process

Australian Championships NSW State Team

Selection Committee

The selection committee consists of the GNSW RG Gymsport Committee (unless any individual has a conflict of interest) and EPPO as the ex officio.

Athlete Selection Criteria

Please refer to the Gymnastics NSW Selection Policy covering eligibility criteria, selection requirements and roles and responsibilities available on the GNSW website and [GNSW State Team Website](#). RG specific selection criteria can be found below.

Selection is based on performances and rankings at two (2) NSW selection Events. One (1) NSW State Trial where the gymnasts best ranking was achieved and the NSW State Championships. To be considered for State Team selection an athlete must enter and compete in both trials and the State Championships.

RG State Team

Level	Number of Athletes Selected	Team Size	Reserves
Sub Junior	6	6	2 Non-travelling reserves
Pre Junior	6	6	2 Non-travelling reserves
Level 10	6	6	2 Non-travelling reserves
Junior International	8	6 (& 2 individuals)	2 Non-travelling reserves
Senior International	8	6 (& 2 individuals)	2 Non-travelling reserves
Sub Junior Group	3 Teams	6 gymnasts: 5 + 1 reserve	2 Non-travelling reserves
Pre Junior Group	3 Teams	6 gymnasts: 5 + 1 reserve	2 Non-travelling reserves
Junior International Group	3 Teams	6 gymnasts: 5 + 1 reserve	2 Non-travelling reserves
Senior International Group	3 Teams	6 gymnasts: 5 + 1 reserve	2 Non-travelling reserves

If changes to allowable number of athletes selected and/or team sizes for the Australian Championships is made by the National Commission and GA, the number of positions to be selected onto the NSW State Team will be adjusted accordingly.

Only gymnasts who have achieved the Australian Championship qualifying score in their division at a GNSW State Trial or State Championship will be eligible for State team consideration. Please refer to the [GA Regulations](#) for final qualifying scores.

Sub Junior	60
Pre Junior	65
Junior Int	70
Level 10	75
Senior Int	85
Sub Junior Group	23 (Total from 2 performances of one routine)
Pre Junior Group	27 (Total from 2 performances of one routine)
Junior Group	33 (Total from 1 performance of each routine)
Senior Group	38 (Total from 1 performance of each routine)

The only exception for consideration of a qualifying score at an event other than a GNSW event (and including scores obtained outside Australia), will be at the discretion of the selection committee, prior to the GNSW Senior State Championships. Applications for exemption to the achievement of the qualifying score within a NSW event must be submitted in writing to the RG EPPO. Applications will be considered for national team members where the athlete is unable to compete in the NSW events due to selection for an Australian team. International events being used as a qualifier under this clause require approval from GNSW and GA to be considered. With the exception of where an athlete has been selected to an official GA Australian Team, GNSW events will always take precedence and the application will be denied if it is conflicting with any selection event. Individual circumstances of athletes, including National Squad members will be considered on a case-by-case basis, with an expectation that athletes should attend the NSW selection events wherever possible. Gymnasts selected to the Australia team between January and April in the year of the Australian Championships may be exempt from the qualification requirements but will also be required to fulfil the NSW team selection requirements to be selected to the state team.

Athlete Selection Process

Selection is based on performances and rankings at two (2) 2024 NSW State Trials and the 2024 NSW State Championships. Athletes seeking selection must submit a State Team Nomination form by the specified due date, nominations received after the final closing date will not be considered.

Gymnasts will be selected from the highest combined ranking points. This includes their best GNSW Senior Trial result, plus their GNSW Senior State Championship result.

The formula applied to rank individual gymnasts and groups for state team consideration is:

AA Position	1st	2nd	3rd	4th	5th	6th	7th	8th	9th	10th	11th	12th
Trial Points	14	12	10	9	8	7	6	5	4	3	2	1
State Points	20	17	14	12	11	10	8	7	6	5	4	3

Gymnast/groups are not required to achieve a Q.S in order to be awarded points.

Ties

- Where there is a tie in ranking points for a team position, the aggregated scores of the tied gymnasts will be reviewed to find the highest possible combined score (using the best State Trial score and the State Championship score). If a tie still exists, the gymnast with the highest combined total Execution Score at the State Championships will be selected (I.e., This is the gymnast who has the lowest number of execution deductions). If a further tie still exists, the gymnast with the highest combined total Difficulty Score at the State Championships will be selected.

If a special consideration has been received and approved by the RG GC prior to State Championships, the athlete with the special consideration will be reviewed against the lowest ranked gymnast on the team. The Selection Committee will review the gymnasts/groups most recent performances, their readiness for attendance at the Australian Championships and their ability to be able to contribute to the overall State Team performance.

Special Considerations

For a gymnast to be eligible for special consideration they must be unavailable for the required NSW selection competitions due to their selection on a GA Australian team or have received special dispensation through application to the Selection Committee via the RG EPPO for individual case-by-case circumstances relating to Australian team preparation or selection. **The gymnast must have a proven track record of international event experience and have relevant results obtained at national and international events approved by the Selection Committee.** Special Considerations will only be considered for Junior and Senior International divisions. The Selection Committee will take into consideration the athlete's ability to contribute to the team. The following factors will be considered:

- Present competition form and readiness
- Combined All-Around results and rankings achieved in recent international events
- Past National and International results
- GNSW Trials and State Championships results
- Relevant results achieved at Gymnastics Australia or a sanctioned FIG event in the year of the Australian Championships
- Possible team composition and possible individual and all-around and/or individual apparatus medals.
- Participation at State Team Training
- Satisfaction of all other State Team eligibility selection and participation criteria
- Ability to demonstrate active contribution and participation as a member of the NSW team and contribute positively to performance and the team environment.

A special consideration will be assessed against the team and individual positions in the respective level.

Athletes must apply for Special Consideration prior to the commencement of the State Team selection process. Special consideration must be received by 5pm 22nd January. Late applications after the State Team selection process has begun, will only be considered where the athlete is selected to an Australian team after the commencement of the NSW State Team selection process, making them unavailable for the NSW selection activities. An application for Special Consideration will be accepted or denied a week following the submission of application. Acceptance of a special consideration does not mean that the athlete has been selected to the NSW State Team.

Athletes who have been accepted for Special Consideration may submit supporting information for consideration of their selection to the State Team. Supporting information will be accepted in the form of Video Selection Activities and International FIG Competition attendance, as well as current and recent results. Video Selection Activities must be competition video or routines performed in training environment under competition conditions witnessed by an International judge whom will verify a “one video take”. Videos must be recorded within the NSW selection window (Jan-Apr 2024). Athletes with Special Consideration are not required to submit supporting information, however the selection committee may request video performances from athletes who have no supporting information to support their application.

A special consideration for a team position would replace the lowest ranked gymnast selected in the team (the top 6) (e.g. if one special consideration were accepted the gymnast would replace 6th place or if two were accepted, they would replace 5th and 6th for the team etc.).

- If a special consideration for a team position is unsuccessful, a special consideration for an individual position would replace the lowest ranked gymnast selected for the Australian Championships in the Level for Junior & Senior INT (i.e. if one special consideration were accepted the gymnast would replace 8th place or if two were accepted, they would replace 7th and 8th placed gymnasts etc.).
- Gymnasts who are replaced in the team would become the level individual athlete(s) and 1st team reserve. Gymnasts who are replaced as a NSW individual athlete will become the non-travelling reserve(s).

Extenuating circumstances

Extenuating Circumstances will be considered if the gymnast has attended the following two selection events;

1. GNSW Senior Trial 1*
2. GNSW Senior Trial 2*

*A gymnast must rank in the top eight (8) AA (Sub JNR, Pre JNR, L10) or top ten (10) AA (JNR INT & SNR INT) at both Senior Trials to apply for extenuating circumstances if the gymnast is unable to attend GNSW Senior State for the following reasons;

- Illness/emergency resulting in withdrawal from GNSW Senior State. You must notify GNSW prior to the commencement of the gymnast’s session and provide relevant documentation e.g., medical certificate.
- Injury resulting in withdrawal from GNSW Senior State. You must notify GNSW within a week prior to Senior State until the day of the event and provide relevant documentation e.g., medical certificate.
- Death within the family resulting in withdrawal from GNSW Senior State. You must notify GNSW prior to the commencement of the gymnast’s session.

Gymnasts may not apply for extenuating circumstances if;

- The gymnast only attended one (1) of the Senior Trials and no Senior State
- The gymnast did not place in the top eight (8) AA (Sub JNR, Pre JNR, L10) at both Senior Trials
- The gymnast did not place in the top ten (10) AA (JNR INT & SNR INT) at both Senior Trials

To determine the score of the gymnast applying for extenuating circumstances, the gymnast's scores from Senior Trial 1 and 2 will be added together to generate a total score.

If an athlete has not competed in the NSW State Championships on medical grounds, the athlete must provide a written report from a Doctor / Physiotherapist which includes the athlete's injury details as well as the projected recovery timelines for consideration of the selection committee. Athletes who are unable to provide the required supporting medical information may not be selected in the team and the next ranked athlete may be considered instead. In accepting selection onto the team, the gymnast unable to participate in the NSW State Championships on medical grounds and/or parent or guardian must agree to incur all financial costs involved in State Team tour in the event that the athlete does not recover in time and is unable to prove routine fitness or does not receive the necessary medical clearance.

Any athlete selected for the NSW State Team who has not competed or is injured during the NSW State Championships event will be required to complete a final verification for routine performance at the State Team Training. Athletes who are unable to perform full routines to an acceptable level may be withdrawn from the team. Withdrawn athletes will be replaced by the named team reserve(s) as applicable.

The GNSW RG State Team will be named after the completion of State Championships BUT will not be ratified until

- The Competition Coordinator has audited the State Championship scores
- 24 hours after the entire competition has concluded and the RG GC is in receipt of any special consideration requests; and
- The GNSW Board of Management has accepted all team members as being suitable to represent their State.

Should there be any changes to the team named at State Championships the RG EPPO will immediately advise the affected gymnasts.

Please note; The following criteria are to be used in conjunction with the Gymnastics NSW Selection Policy. Any gymnast, coach or judge, financially in debt, to GNSW or GA will not be eligible for selection in a State Team. Any financial difficulties should be referred to the EPPO and a payment plan can be considered.
