1. Definitions and Interpretations

The following short terms shall be used and interpreted in the spirit of the following meanings unless specifically defined elsewhere.

Association Member	means a Member admitted to GA in accordance with clause 5.2 of the GA Constitution.
Athlete(s)	refers to a Trampoline, Tumbling and Double Mini Trampoline gymnast(s) in a pair/ group of the same partnership configuration.
Board	means the board of Directors of Gymnastics Australia Ltd.
Calculation of Score	Sum of the score for each technical component – method to reach the final score.
Coach	Coach who holds a current and valid accreditation and Technical Membership with Gymnastics Australia.
Club	means a Member admitted to GA in accordance with clause 5.6 of the GA Constitution.
Commission	the National Gymsport Commission.
Company	Gymnastics Australia Ltd.
Difficulty	Pertaining to FIG CoP element of judging – ‘D’ – value of elements/connection values or special requirements as per the FIG CoP
Discipline	Individual Trampoline, Synchronised Trampoline, Tumbling, Double Mini Trampoline.
Event	a nominated, selected or sanctioned competition.
Event Division	Category of competition at an event ie Level 5 Individual Male.
Execution	Pertaining to FIG CoP element of judging – ‘E’ – the exercise presentation related to the compositional requirements, technique and body position.
Extenuating Circumstance	Anything outside of a persons’ control which is unavoidable and cannot be changed. This includes, but is not limited to, personal emergencies and a force majeure event.
Gymsport	means a gymnastic sport program or gymsport as defined by FIG and by GA and accepted by GA as a program under its jurisdiction.
International Program/Stream	The level of competition or grading as identified in Gymsport Framework for athletes in the International pathway.
Judge	Judges who hold a current and valid accreditation and for Australian judges are a current Technical Member of Gymnastics Australia.
Level	the level of competition or grading Levels 1-7, Youth – Senior International
National Integrity Framework	means the set of policies by the same name adopted by Gymnastics Australia.
Pair	two gymnasts in the same partnership (Synchro).
State Association	means a body corporate that GA recognises as the sole entity controlling Gymnastics in a State of Australia.

1.1. Glossary

ALP	Australian Levels Program
CJP	Chair of Judges Panel
COP	Code of Points
D1	Difficulty 1
DMT	Double Mini Trampoline Gymnastics
FIG	Federation Internationale de Gymnastique
GA	Gymnastics Australia
HP	High Performance
ILP	International Levels Program
NCM	National Commission Member
NJC	National Judging Coordinator
NC	National Commission
NCPC	National Commission Project Co-ordinator
NSP	National Selection Policy
NTD	National Technical Director
TUM	Tumbling Gymnastics
TRP	Trampoline Gymnastics
SMC	State/Territory Sport Management Committee
SYN	Synchronised Trampoline

2. Policies and Rules

2.1. Purpose

The purpose of these Technical Regulations is to provide the broader gymnastics community with an overview of the technical rules, competition formats and general information about Trampoline and Tumbling Gymnastics and its various divisions for use within Australia.

These Technical Regulations also provide guidance and governance to ensure that competitions are carried out in accordance with all relevant FIG rules and policies, as well as the FIG Code of Points for Trampoline & Tumbling Gymnastics in Australia. For a full list of policies and rules which should be read in conjunction with these Technical Regulations, please see the section below.

2.2. Policies and Rules

The rules, requirements and regulations set out in the following documents should be read in conjunction to these Technical Regulations:

- All current and applicable FIG Main Rules
- FIG Code of Points – current, including all errata and FIG Newsletters
- FIG Table of Difficulty
- TRP National Commission Functional Statement
- TRP Australian Levels Program – current, including all errata
- TRP International Program Manual – current, including all errata
- GA Event Bulletins

These rules should be referred to as appropriate for either or both Australian Championships and National Clubs Carnival.

In addition to the above, all individuals involved in our sport are required to comply with all Gymnastics Australia National Policies, procedures and expected behaviours in order to provide a safe, welcoming and empowering environment for all members. These policies, and supporting information, can be found [here](#).

For information regarding expected behaviours when working with children and young people in Gymnastics in Australia, please refer to the following:

- Child Safeguarding Policy,
- Member Protection Policy,
- Social Media Policy, and
- Disordered Eating Prevention and Early Intervention Policy.

Under the National Integrity Framework, any individual involved in the sport of gymnastics is required to raise a concern regarding the welfare of a child or inappropriate behaviour with Sport Integrity Australia. Failure to report such concerns to Sport Integrity Australia is considered a breach of the National Integrity Framework.

Any modification to these will be circulated in writing on the authority of Gymnastics Australia and where applicable the National Commission.

2.3. TRP Selection Policies

Selection Policies, including the TRP National Squad Selection Policy can be found on the Gymnastics Australia website [here](#).

3. Commission Structure

3.1. National Commission

- Technical Director
- National Judging Coordinator
- High Performance Coordinator Trampoline – GA HP Staff member
- Project Coordinator – Gymsport growth
- Project Coordinator
- Project Coordinator – Education
- GA Staff - ex-officio, non-voting member

3.1.1. Position description and desired skills

Please refer to the TRP National Commission Functional Statement for the desired criteria for the National Technical Director, National Judging Coordinator and Project Coordinators.

3.2. National Working Groups

Please refer to the TRP National Commission Functional Statement for the process for creating and operating National Working Groups.

4. Gymsport Awards

National Gymsport Awards are set out in the Gymsport Awards Policy, available on the Gymnastics Australia website [here](#).

The list of State and Club awards presented at National events can be found [here](#).

5. National Program and Pathways

Trampoline Gymnastics has three competitive streams, across the four disciplines:

- International Stream (Youth U13, Youth U15, Junior, Junior U17, Junior U22, & Senior)
- National Stream (Levels with age restrictions)
- Levels

5.1. Disciplines

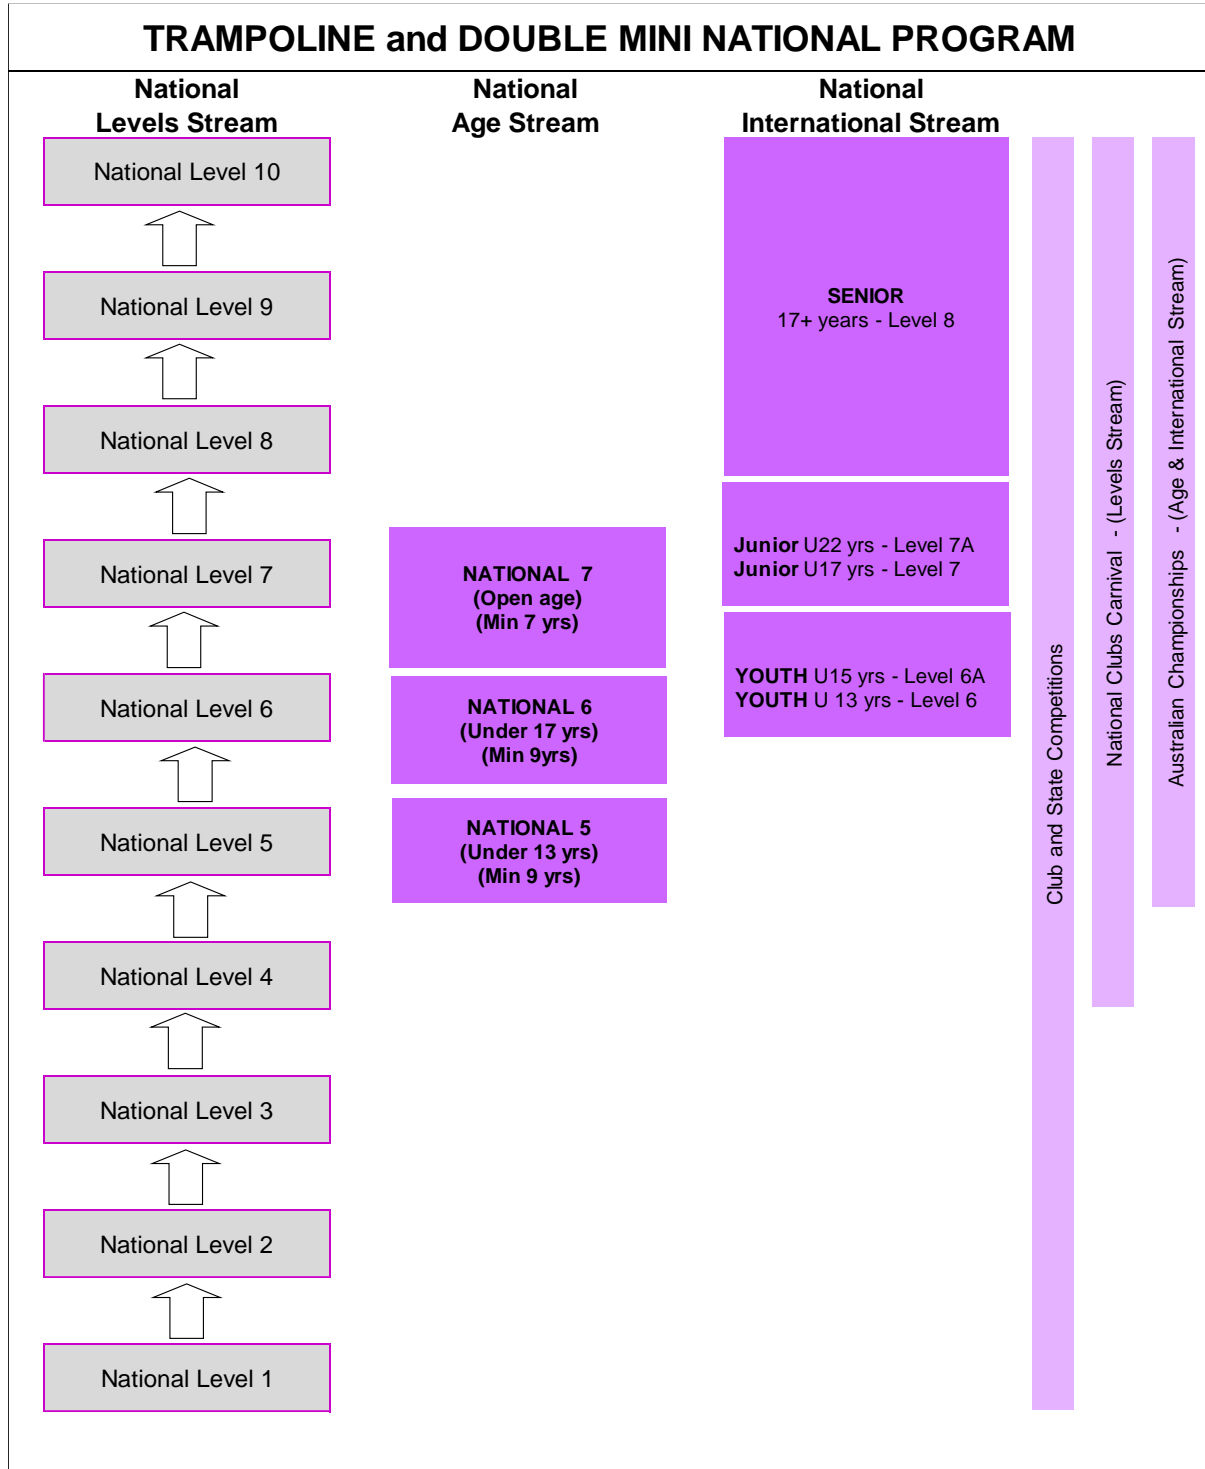

- Individual Trampoline
- Synchronised Trampoline
- Tumbling
- Double Mini Trampoline

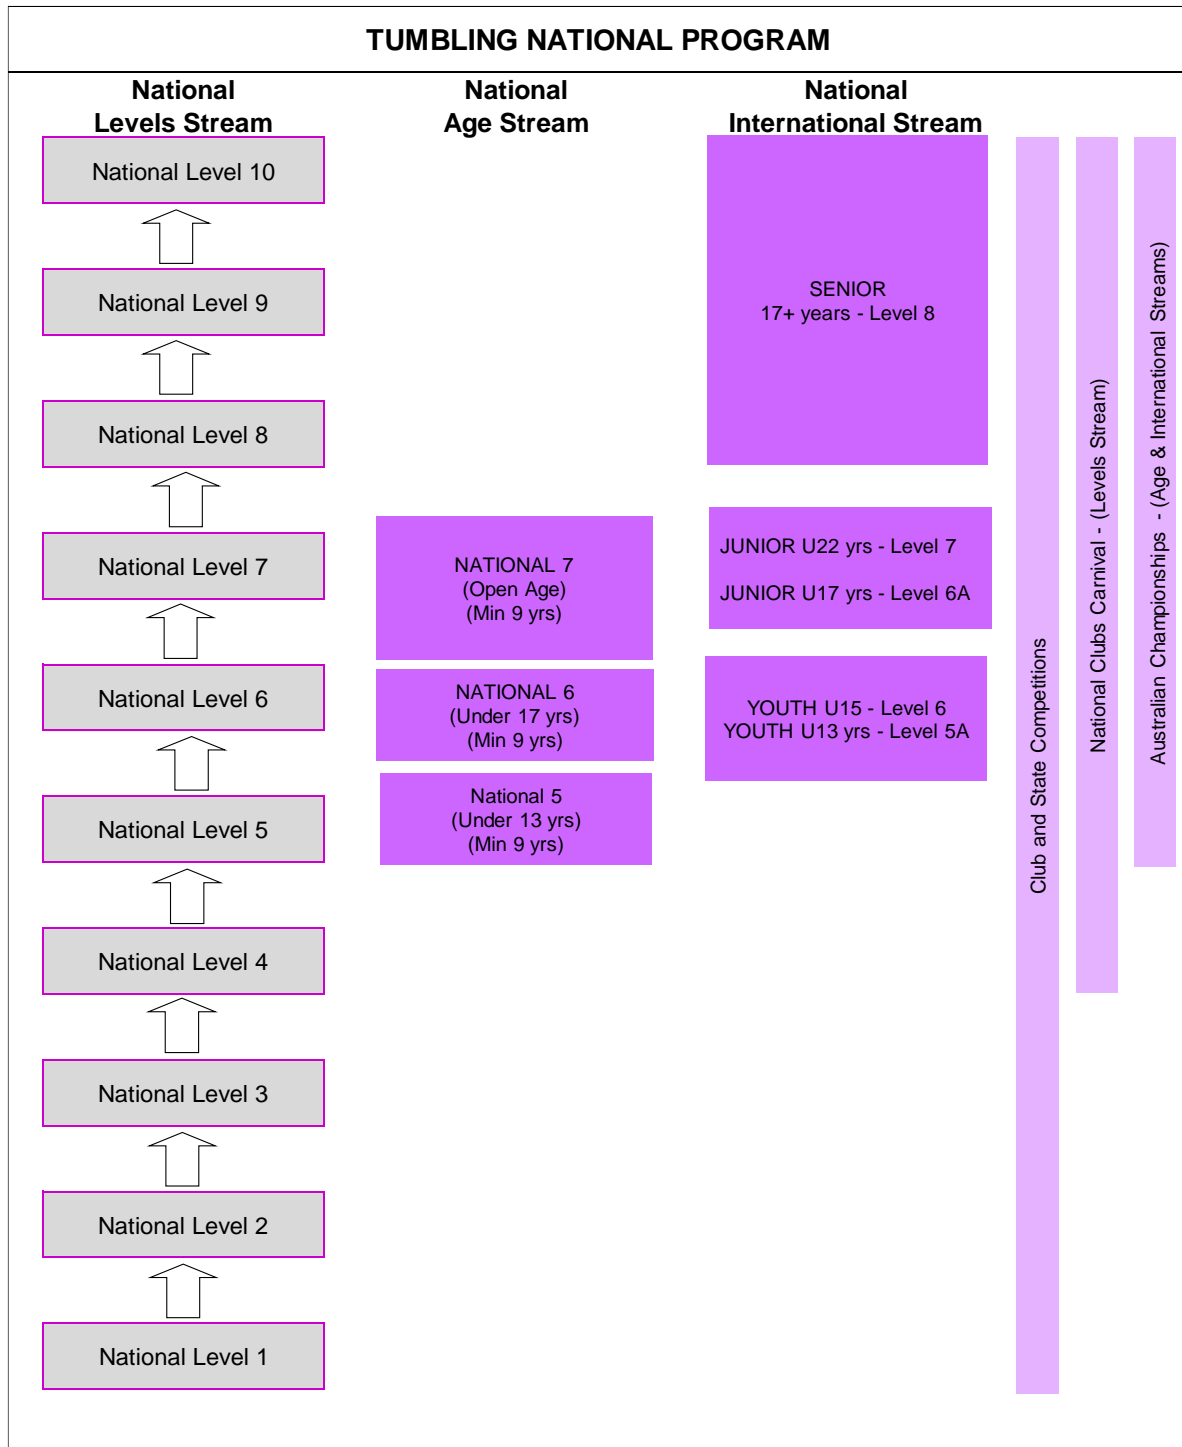

5.2. Australian Levels Program

The Trampoline Gymnastics Australian Levels Program is a National Program and includes all three apparatus of 10 levels. This system is split into the Levels Program and the “Guide to Passing Levels”. All athletes participating in the Trampoline Levels Program must be registered members of their State Gymnastic Association. This includes Level 1 and Level 2 gymnasts.

While the program and guide provide an overall development program for use by both coaches and performers, it is not intended to be the only source of reference for Trampoline Gymnastics. Coaches should ensure that they are competent in the teaching of all Trampoline elements that they present to their athlete.

The ALP levels indicate a measure of competency at each level by the athlete. Club coaches and judges should ensure that their athletes demonstrate these levels of competency for the specified competition. The ALP manual details the routines/passes required for each level and the process of assessment. These documents are available from Gymnastics Australia.

5.3. Obtaining Your Trampoline Gymnastics Level Badge

See the “How to obtain your levels badge” section in the “Trampoline Gymnastics Australian Levels Program”.

6. Event Rules and Regulations

Gymnastics Australia prioritises the health, safety and wellbeing of all involved in National events.

Final decisions on event delivery and operations will be made based on credible evidence and in line with Federal and State guidelines and restrictions with regards to Force Majeure events ie COVID-19, extreme weather events or any other extenuating circumstance.

6.1. Applicable Regulations

Competitions will be conducted in accordance with the rules as listed in Item 2 of this document unless specific variations are listed.

6.1.1. Age Restrictions

- The minimum age for any athlete pair/group to compete in the Australian Championships is 9 years of age in the year of the event.
- The minimum age for any athlete to compete in the National Clubs Carnival is 7 years of age in the year of the event.

The following events should, to the best of GA's abilities, meet FIG regulations and facility standards including lighting and should be approved by the NTD or their representatives:

- Australian Gymnastics Championships
- National Clubs Carnival
- National Team Selection Trials
- Sanctioned events for 'qualifying scores', for Australian team selection

Should alterations be required, GA or the event host must notify the TRP National Commission and participating clubs prior to the competition.

Other events should specify what equipment will be provided in the information calling for entries, if the equipment does not meet FIG specifications.

All these events must have all routines recorded, using digital media, from a position like that viewed by the judges; for the Jury to review as required and for use in judge and coach education.

The following additional minimum age restrictions apply:

National 5, 6, 7 events	Minimum of 9 years of age in year of competition
Youth U13 events	Minimum of 11 years of age in the year of competition
Youth U15 events	Minimum of 13 years of age in the year of competition
Junior U17 events	Minimum of 15 years of age in the year of competition
Junior U22 events	Minimum of 17 years of age in the year of competition
Senior International events	Minimum of 17 years of age in the year of competition

6.1.2. Competition Attire

As per the current FIG TRP Gymnastics Code of Points, the Gymnastics Australia Uniform Policy available [here](#), and any other applicable Gymnastics Australia policy:

6.1.3. Equipment

The following events must meet FIG regulations and facility standards including lighting and roof height and must be approved by the NTD or his/her representatives:

- Australian Championships
- National Team Selection Trials
- Sanctioned events for 'qualifying scores', for Australian team selection

Other events i.e. National Clubs Carnival must specify what equipment will be provided in the information calling for entries if the equipment does not meet FIG specifications.

All these events must have all competitions recorded, using digital media, from a position similar to that viewed by the judges for the Jury to review as required and for use in judge and coach education.

- FIG Apparatus Norms and the Code of Points for Trampoline, Tumbling, and DMT provide the equipment specifications for each apparatus. All clubs should be guided by these Norms.
- The FIG Apparatus Norms include Safety Platforms (End Decks) and floor matting and the DMT Norms make reference to the fixings that are allowed to stabilize the DMT.
- Tumbling may be performed on modified tumbling floors approved by the National Commission.
- Equipment does not need to have a valid FIG Diploma but must be in sound condition.
- Floor matting and end-decks must provide adequate protection for athletes.
- For Trampoline, safety decks and spotter mats must be provided.
- For Trampoline and DMT, one spotter mat must be provided for each apparatus, as specified in the FIG Apparatus Norms.

6.2. Perpetual Trophies

- An inventory of trophies is maintained by the National Commission.
- Australian Championships trophy is the TRP State Shield.
- Cost and responsibility for engraving trophies annually will be met by the State/Territory Association or club who wins the shield/trophy.
- States/Territories are responsible for the return of trophies in good condition each year in time for the relevant competition. Gymnastics Australia reserves the right to claim expenses if trophies are lost or need to be repaired.

- All members of a Pair/Group must normally domicile in Australia or hold Australian Citizenship to be eligible to hold an Australian Title.
- The Perpetual trophy shall be awarded each year, to be held by the State/Territory winning the Championship competition.
- Perpetual trophies are to be presented to State/Territory representatives on the strict understanding that the Member Association shall be responsible for their return fourteen days prior to the subsequent championships, in good order, clean and ready for presentation at the championships.
- Under no circumstances may an Australian perpetual trophy be taken from Australia.

7. Judges

7.1. Requirements

- Judge's names must be included with definitive entries and include their availability so judge's panels and schedule can be determined. This will allow time for extra judges to be organised if required.
- States / Territories or Clubs (as relevant to the event) must provide a minimum number of appropriately qualified judges per the requirements outlined in Clause 7.3.1 and 7.3.2.
- Options or exemptions to the judging requirements can be discussed with the NJC and the GA Events Team prior to the submission of definitive entries.
- All judges must be available to judge all sessions that they were nominated for that event.
- All judges may be required to complete a Conflict of Interest (real/perceived) form prior to a specified National event ie Australian Championships as declared in Event Bulletins.
- All nominated judges must be available to attend all relevant judges' briefing and required meetings prior to the competition.
- All judges must complete all pre-event requirements including but not limited to completion of the Interests register, and event specific online courses, presentations and or webinars.
- Judging panel allocations will be distributed by the NJC prior to the commencement of the competition.
- Allocation to judging panels will depend on number of judges and level of accreditation and management of declared Conflicts of Interest – see Clause 7.5.4 for detail.
- Judges can only represent one affiliate or club at an event.
- Some judges are available and are willing to judge for other affiliates/clubs. Requests for the use of another affiliate's/club's judge in order to meet the minimum supply required should be made formally to the affiliate/club.

7.2. Behaviour

Gymnastics Australia takes seriously its responsibility to ensure all National Events are delivered in a safe, inclusive and fair environment. All individuals attending a National Event in a judging capacity are required to uphold the standards of behaviour as outlined in Gymnastics Australia's National Policies and the Judges Oath.

Delivered at Judges briefings, the Judges Oath acknowledges the integral role Judges contribute to the success of National Events, and recognises the importance of acting with honesty, fairness and integrity when judging Trampoline Gymnastics:

“On my word of honour, I declare as a judge, I will be guided by the spirit of fairness and dignity in sport. I pledge to evaluate the exercises shown conscientiously, without regard for the person, Club or State.”

In relation to serious incompetence, displays of inappropriate behaviour not in accordance with Gymnastics Australia's National Policies or the Judge's Oath, the following process must be adhered to:

- The National Judging Coordinator or Technical Director will give the first warning as verbal. GA's Events and Integrity teams must also be notified as soon as practicable.
- A second warning for ongoing incompetence or inappropriate behaviour will be provided by GA's Integrity team. The determination of necessary consequences, including, but not limited to, suspension from judging for the remainder of the session or event, will be at the discretion of the GM Integrity (or their delegate)

In accordance with the National Integrity Framework, all concerns regarding serious incompetence or displays of inappropriate behaviour must be reported to Sport Integrity Australia.

7.3. Judge Numbers

- State/Territory Associations/Clubs must nominate all appropriately qualified and accredited judges with definitive entries as per the tables below:
- States / Territories/Clubs must provide a minimum number of appropriately qualified judges per the number of athletes they enter for the competition:

7.3.1. Australian Championships

Judge supply for the Australian Championships is determined on a percentage basis calculated by dividing the total number of judges required amongst the attending affiliates based on the total number of athlete entries per affiliate.

An entry by a single athlete in a single discipline constitutes one entry i.e. an athlete competing in Individual, Synchronised and Tumbling is equal to three entries.

The minimum judge supply will be determined from provisional entries and advised to the State and Territory Associations and State and Territory Judge Coordinators.

- The Australian Championships requires 27 judges per session plus reserves
- Minimum qualification level for judges at the Australian National Championships is Advanced Silver
- The minimum number of judges required must be available for all sessions of the Australian National Championships, regardless of whether the affiliate has athletes competing in all or only some of the sessions
- Where a judge is only available for some sessions (i.e. coach/judge or athlete/judge) the affiliate must supply an additional judge who is available for all sessions the original judge is not available

NB: If an affiliate is required to supply four judges then there must be a minimum four judges from that affiliate available to judge at each session. These four judges can change session to session as long as the minimum required number of judges is available.

Affiliates are strongly encouraged to select judges that are qualified in all disciplines of Trampoline; Individual Trampoline, Double Mini Trampoline and Tumbling

An affiliate must supply judges that are qualified to judge the disciplines that the affiliate is entering i.e. an affiliate entering tumblers must supply at least one tumbling judge

Affiliates are strongly encouraged to select judges who are proficient at all judging assignments including Execution, Difficulty and Chair of Panel

As a guide, based on this guideline, below is the breakdown of athlete entries and judge requirements for the 2023 Australian Championships:

2023 Australian Championships					
Affiliate	# of entries	% of total entries (based off 2022 AGC)	# of judges required	Rounded # of judges	Notes
ACT	18	3.5%	0.99	1	
NSW	150	29.5%	8.27	8	
QLD	146	28.7%	8.05	9	* Host state (+1 judges as per guideline)
SA	38	7.5%	2.09	2	
TAS	59	11.6%	3.25	3	
VIC	36	7.1%	1.98	2	
WA	61	12.0%	3.36	3	
Total	508	100%	28	29	

- Affiliates with a quota of less than one judge must supply a minimum one judge for all sessions
- Affiliate judge quotas are rounded to the nearest whole number up or down. If rounding does not produce the minimum total number of judges, all affiliate judge quotas are rounded up
- Minimum judge supply requirements will be determined from provisional entries and advised by the National Judging Coordinator (NJC) and Gymnastics Australia following close of provisional entries, to each affiliate through the respective State or Territory Judging Coordinator and administration staff each year

International Federations competing at the Australian Championships are asked to supply a minimum one judge for every 15 competitors.

It is recognised that the host state of the Australian Championships has greater access and fewer barriers to encouraging judges to attend the championships (lower travel/ accommodation costs).

The host state is encouraged to supply an additional one judge on top of the quota allocation.

Some sessions at the Australian Championships may run with three or two panels at a time, depending on scheduling, this will be factored into the total required number of judges required of affiliates per session.

7.3.2. National Clubs Carnival

Judge supply for the National Clubs Carnival is determined on a quota basis calculated based on the number of individual athletes attending per club.

An entry by a single athlete in multiple disciplines constitutes one athlete entry.

Club	Athletes	Judges
W	1-2 athletes	0 Judges
X	3-10 athletes	1 Judge
Y	11-25 athletes	2 Judges
Z	26+ athletes	3 Judges

- The National Clubs Carnival requires 30 judges per session
- Minimum qualification level for judges at the National Clubs Carnival is Intermediate
- The minimum number of judges required must be available for all sessions of the National Clubs Carnival, regardless of whether the club has athletes competing in all or only some of the sessions
- Where a judge is only available for some sessions (i.e. coach/judge or athlete/judge) the club must supply an additional judge who is available for all sessions the original judge is not available

NB: If a club is required to supply two judges then there must be a minimum two judges from that club available to judge at each session. These two judges can change session to session as long as the minimum required number of judges is available.

- Clubs are strongly encouraged to select judges that are qualified in all disciplines of Trampoline Gymnastics; Individual Trampoline, Double Mini Trampoline and Tumbling
- An affiliate must supply judges that are qualified to judge the disciplines that the affiliate is entering. I.e. an affiliate entering tumblers must supply a tumbling judge within the minimum number of judges required
- Clubs are strongly encouraged to select judges who are proficient at all judging assignments including Execution, Difficulty, Time of Flight, Horizontal Displacement and Chair of Panel
- State Sports Institute programs and other similar programs that enter athletes from multiple clubs assume the responsibility of providing judges as though the program itself was a representative club. The onus is on the program not the individual clubs represented to supply judges

It is recognised that FIG qualified judges are of a greater benefit during the National Clubs Carnival and play a mentoring role to emerging Intermediate and Advanced judges and as such FIG qualified judges are especially encouraged to attend the National Clubs Carnival and to actively mentor Intermediate and Advanced judges, increasing the capacity of the national judging cohort.

7.4. Fines

Failure to nominate/provide the required number of judges at definitive entries will result in the relevant organisation being issued a fine by GA event staff as advised in Event Bulletins.

7.4.1. Fine Exemptions

There will be a grace period of two years for new affiliates and new clubs; however, affiliates/clubs must have a minimum one judge in the education system

- Where an exemption is granted, this affiliate/club is not required to contribute to the total judging pool and the remaining affiliates/clubs must still fill the full 100 per cent judging requirement

7.5. Judge Allocations

- Judges are appointed as per the requirements for each event (see section 7.3.1, 7.3.2)

The construction of panels and placement of judges is at the discretion of the National Judging Coordinator. Wherever possible the National Judging Coordinator will seek to maintain panel integrity through the following considerations:

- Sufficient spread of States and/or Clubs across a judging panel, in particular diversity of the judges for execution
- Chair of Panel and Difficulty judges to be from different States and/or Clubs
- Preference is given to the placement of more qualified judges when available
- Judging panel allocations will be published prior to the commencement of the competition.

7.5.1. Judging - International Stream

- The International Stream judging panel/s will consist of qualified FIG Brevet Judges and Advanced Silver Judges and if required Intermediate and Advanced judges may be used at NCC.
- The composition of judging panel/s will conform to the prevailing FIG Code of Points. At National competitions - modifications to this format at National Competitions may only be made by the National Judging Coordinator and National Technical Director at written direction of GA Events and Integrity teams, when there are not enough FIG Brevet Judges available or other factors such as the need to balance the panel with regards to club / state.

7.5.2. Judging - National Events (Divisions)

- The National Levels Program competition judging panel/s will consist of qualified Judges. See Table 7.5.4 for Judging Accreditation and corresponding roles by level.
- The composition of judging panel/s will conform to the prevailing FIG Code of Points. At National competitions modifications to this format at National Competitions may only be made by the National Judging Coordinator and National Technical Director at the written direction of GA Events and Integrity teams, when there are not enough FIG Brevet Judges available or other factors such as the need to balance the panel with regards to club / state.
- factors such as balance of panel with regards to club, are such reasons for modification
- The most qualified Advanced Silver or higher judges available shall be selected for judging at the Australian Gymnastics Championships.
- The most qualified Intermediate or higher judges available shall be selected for judging at the National Clubs Carnival.

7.5.3. Judging - State Events

- State competition judging panel/s will consist of qualified Judges
- State Judging Coordinators will be required to submit panels to National Judging Coordinator for verification when qualifications for Australian Championships are being held.
- The composition of judging panel/s will conform to the prevailing FIG Code of Points. At State competitions this format may be modified by the State Judging Coordinator and State Technical Director in conjunction with State Events and Integrity teams. Judge availability or other factors such as balance of panel with regards to club, are such reasons for modification.

7.5.4. Judge Accreditation

Judge Accreditation	Execution	Difficulty	Chair
Beginner	Level 0 - 3		
Intermediate	Level 0 - 6		
Advanced	Level 0 - 10	Level 0 – 6	Level 0 - 3
Advanced Silver	Level 0 – 10	Level 0 – 10	Level 0 - 10
FIG Brevet	Level 0 – 10	Level 0 – 10	Level 0 – 10

7.6. National Judges Subsidy Funding Criteria

This policy is applicable to Australian Championships - see Australian Championships Judges Subsidy Policy on Gymnastics Australia's website [here](#).

8. Inquiry of the Score

From time to time, there may be a discrepancy about the score awarded to a routine or skill, of which can be raised as inquiry for review. There are restrictions about the handling and management of inquiries, as detailed below:

8.1. What can be inquired?

- Inquiries for the difficulty score or obvious calculation errors of the score are permitted.
- The Inquiry can only pertain to the Difficulty Score, error in calculation of the score or equipment malfunction.

Inquiries that relate to a comparison between judges/judging panels, comparison between athletes and/or groups, comparison to other events/competitions or execution scores (Technical) will not be accepted.

8.2. Who can inquire?

- The Inquiry can only be lodged by a coach on behalf of the athlete the coach represents.

8.3. How can an inquiry be made?

- Verbal inquiry must be directed to the Chair of Judges Panel (CJP)
- CJP will review verbal inquiry and provide feedback to the coach and make a note of the inquiry and resolution in the Inquiry log.
- If matter not resolved following the verbal inquiry to CJP an Inquiry form must be completed, and contain the competitor names, number, discipline and routine, as well as the name and signature of the coach.
- The Inquiry form (available as advised at event Orientation meetings) must be completed and submitted to the TD or NJC (or appointed representative)

8.4. What is the time frame for submission?

- Verbal inquiry to be made before the end of the round.
- Written inquiry to be submitted within five minutes of the verbal inquiry not being resolved.

8.5. Who will receive the inquiry?

- The verbal inquiry must be submitted to the CJP.
- The written inquiry must be submitted to the NJC (or acting NJC) via the Competition Floor Manager, Event Management or NTD. The time of submission to be recorded by the individual receiving the form.

8.6. What happens once an inquiry has been submitted?

NJC will respond to Inquiries as soon as practical/at the end of the session in which the inquiry was made.

If required, a jury will be formed as per clause 8.7.

Inquiry action:

- If the inquiry is upheld, the fee per inquiry will not be applied, and the score will be adjusted accordingly.
- If the inquiry is dismissed, the fee will be invoiced to the relevant organisation and the score stands.
- In either case the written inquiry will be marked with the Jury's decision, signed by the NJC or their representative and a copy will be returned to the submitting coach.
- Decisions by the Jury will be final and without further discussion.
- Fees from overruled inquiries become income for the event. The fee per unsuccessful inquiry is \$100 – payable post event on invoice from GA.

8.7. Jury of Appeal

8.7.1. Composition of the Jury:

The Jury will consist of at least two of the following:

- National Judging Coordinator or their appointed representative
- National Technical Director or their appointed representative
- CJP
- May also include Technical Advisor (high ranking judging official) appointed if required

8.7.2. Jury Role

- The administration of justice in cases of Inquiries is the responsibility of the Jury.
- They are empowered to consider and resolve all inquiries concerning matters of judging and correctness of arithmetical calculations. There is an entitlement of inquiry for a review of the Difficulty Score and Final score.
- Inquiries are discussed at a place away from spectators, coaches, officials and competitors.
- The Jury may request the use of the official video.
- If the displayed mark is upheld the Coach or a nominated representative is informed and given the reason for the decision.

9. Competition Rules and Procedures

9.1. Rules

See 2. Policies and Rules

9.2. Division Rules - International Stream

Competitions include Olympic Games, World Championships, World Age Group Competitions, World Games, Pacific Rim, Senior and Junior International Invitational events.

Athletes participating in the International stream must achieve qualifying requirements to remain a competitor in this division. See section Qualifying Standards.

Athletes who achieve the qualifying requirements for the international division at qualifying competitions **must** compete in the international division at the Australian Championships. Athletes who do not achieve the qualifying requirements to qualify for the international divisions at Australian Championships may compete in their Level/Age based National Stream divisions if they subsequently meet the qualifying requirements for these divisions.

Athletes may only compete in **one division per discipline** at Australian Championships.

9.2.1. International Stream Events

- SENIOR (17 years & older)
- JUNIOR U22 (17 – 21 years)
- JUNIOR U17 (15 – 16 years)
- YOUTH U15 (13 – 14 years)
- YOUTH U13 (11 – 12 years)

Synchronised Events:

- Junior and Youth synchronised events will consist of one (1) Voluntary routine in the preliminary round.
- Senior synchronised events will be as per FIG rules.

9.3. Division Rules – National Stream

Competitions are based on the athlete's highest Age Eligible Level achieved at a Qualifying event based on the age in the year of the Australian Championships. In order to compete at the Australian Championships in that category, the participant must also have met all qualifying standards as listed in the Qualifying Standards section of this manual during the qualifying period.

National Stream events abide by the rules of the equivalent Level of the Australian Levels Program (ALP).

Competitions for National Stream events are held at the Club, State, and National Level. National Stream Divisions are National 5, National 6, and National 7.

Time of Flight: “National Stream” Trampoline events **does not** include Time of Flight (ToF) into the calculation of scores.

All Synchronised National Stream events will consist of one (1) Voluntary routine in the preliminary round.

Verification of birth dates for entries is the responsibility of the club/state.

9.4. Sanctioning Competitions and Championships

- Gymnastics Australia may, from time to time, promote/sanction special events.
- National or International tours for residential and international:
- Individual athletes or groups are proposed by the National Trampoline Commission and ratified by Gymnastics Australia.
- The National Commission is responsible for ratifying State/Territory Association competitions under the auspices of Gymnastics Australia that form part of any selection process to Australian teams.
- Clubs must seek sanction from their relevant State/Territory Association - Committees for Levels testing and qualifying competitions for the Australian Championships.
- Competitions designated as ‘State Titles’ between two or more member State/Territory Associations and/or are open to other than the Association's members, must be held in accordance with the Technical Regulations.
- No affiliated Association shall institute, or allow to be instituted within their jurisdiction, competitions that state or infer an event of the following nature:
 - National
 - World or International Championship
 - Any State/Territory Association promoting a competition and wishing to vary from the conditions specified must state any variation when applying for sanction from the National Commission to conduct the competition.
- Where possible states should not request competition dates for sanction if the date clashes with an already approved competition or event.
- Qualifying Competitions for the Australian Championships must be nominated to the National Trampoline Commission as per section “Qualification Process and Scores” The date and venue can alter during the year, but no extra competitions can be added.
- All Qualifying Competitions **must** use the latest version of SPORTTECH.IO unless the National Commission nominates a newer scoring system. The Results must be presented in the National Commission determined FORMAT and uploaded to the Sporttech.io website as per the National Commission prepared State/Territory Association Logins, either during the event or directly after the event, and prior to the close of entries for national championships.
- **NB:** Paper results are not an acceptable alternative.
- All qualifying competitions, State/Territory Levels Championships, State Championships, and National events must use the official Sporttech **templates** for the appropriate Levels or International event, unless the National Commission nominates a newer scoring system.
- Judging panels for all qualifying competitions must be recorded and submitted to the National Commission upon request and should conform to the judging proforma issued by

the National Judging Coordinator. States/Territories unable to provide a full panel of execution judges per panel (CJP may provide 'E' score) must seek approval from the NJC for modified panels.

- The Sporttech event Template/Format can be accessed from the National Commission upon request.

9.5. Qualifications and Exclusions

- Australian competitors must be current members of their State/Territory Association
- Australian officials must be current and accredited Technical Members of Gymnastics Australia.
- State Associations sanction competition applications for State events
- Gymnastics Australia sanctions competition applications for International events as per Clause 9.4.
- International competitors must be registered with the appropriate governing body in their country (through their Australian State/Territory) and be sanctioned for competition

9.6. Australian Specific Competition Rulings

9.6.1. Finals Scores:

9.6.1.1. International Stream

- All individual events will be a **ZERO START FINAL**.
- Synchronised trampoline will combine preliminary scores and final scores to achieve the total FINAL score.

9.6.1.2. National Stream

- The Preliminary Routines/Passes and Finals Routines/Passes will be added together to achieve the final score.
- There is **no** "ZERO START FINALS" rule applied in Australian 'National Stream' competitions.

9.7. Competition Cards

National Events are Routine Card Free events. Your State will not be required to submit any routine cards/sheets for National Events.

D-Score judges are required to write each element performed to determine if the correct 1st routine requirements have been met and to calculate routine/pass D-Scores.

If the athlete's coach feels unsure what position may have been called in the case of DMT or TUMBLING elements, so as not to incur a repeat element deduction in future passes, the athlete's coach may approach the panel via the Chair of Judges Panel (CJP) in a friendly manner to confirm the final decision on the pass for future pass reference.

9.8. Results

Results showing judging scores must be available and displayed online or via print out prior to presentations.

9.9. Tie Breaker Rules

In the case of ties in any placing for qualifying rounds and finals, FIG rules will apply. The FIG Technical Regulations outlines the Tie Breaker Rules per apparatus.

The tie-break placings as determined by *Sporttech* will be considered as the final placings.

9.10. Trophies

An inventory of trophies is maintained by the National Commission.

State Associations and Commission's will be advised of the trophy holders in their State.

States are responsible for the return of trophies in good condition and engraved each year by the Australian Championships Orientation meeting. The National Commission reserves the right to claim expenses from States if trophies are lost or need to be repaired.

9.11. Australian Championships

9.11.1. Qualifying Standards

In the unfortunate event of an Extenuating Circumstance/s which significantly impact the qualification process and preparation of the impacted athlete/s due to delayed return to training, special qualifying solutions may be granted by, and at the sole discretion of the National Commission.

Competitors must meet routine requirements. Routine requirements can be found in Section: Routine Requirements and the Australian Levels Program.

Competitors must achieve the qualifying requirements outlined in Appendix 1 by the close of definitive entries.

Athletes must achieve their age eligible National Stream Division or their International Stream Division Level requirement at a sanctioned Qualifying event prior to the close of definitive entries.

Entry into the Australian Championships is based on the Level, and a Qualification Score (inclusive of a Minimum Degree of Difficulty as stipulated).

Athletes can only qualify to compete in National Stream Events at the Australian Championships by competing in:

- **The athlete's level achieved in competition** or one level above, in Levels Events at state organised sanctioned qualifying competitions inclusive of State Levels, State Championships, or National Clubs and achieving the National Stream qualifying requirement.
- International Stream events at state organised sanctioned qualifying competitions inclusive of State Levels, State Championships, or National Clubs and achieve the National Stream event qualifying requirements, while not achieving the International Stream qualifying requirements.

- “Levels” events at state organised sanctioned qualifying competitions, where the Level competed is equal to or greater than the Level required to qualify for the particular event as per the Qualifying Standards.

Athletes **CANNOT** achieve their current National Stream Division’s qualifying requirements for the Australian Championships at the previous year’s Australian Championships.

9.11.2. Synchronised Trampoline

Athletes may only compete in the stream (National Stream or International Stream) in which they qualified individual trampoline.

Synchronised trampoline pairings must be named at the time of definitive entries. Alterations are only allowable if two different synchronised Trampoline pairs have been left partnerless due injury/illness and an application is made to the TRP National Commission 24 hours before the competition begins for the change to be approved. Athletes who had not been entered into the Synchronised Trampoline event with definitive entries are not allowed to be paired.

9.11.3. National Stream Championships:

Athletes qualified for Individual Trampoline can only compete in one Synchro event at National Championships

- | | |
|------------|---|
| National 7 | <ul style="list-style-type: none"> • At least one athlete must have Qualified for NATIONAL 7 • The 2nd athlete can move up from NATIONAL 6 • Preliminary Round will consist of one (1) Voluntary routine |
| National 6 | <ul style="list-style-type: none"> • At least one athlete must have Qualified for NATIONAL 6 • The 2nd athlete can move up from NATIONAL 5 • Preliminary Round will consist of one (1) Voluntary routine |
| National 5 | <ul style="list-style-type: none"> • Both athletes must have Qualified for NATIONAL 5 • Preliminary Round will consist of one (1) Voluntary routine |

9.11.4. For International Stream Championships

Athletes qualified for Individual Trampoline can only compete in one Synchro event at National Championships

- | | |
|--------|--|
| Senior | <ul style="list-style-type: none"> • At least one athlete must be Qualified for SENIOR • The 2nd athlete can move up from JUNIOR U22 or JUNIOR U17 to make a pair • Preliminary Round will consist of two (2) Voluntary routines as per SENIOR FIG rules, with the best score counting as the qualifying round score |
| Junior | <ul style="list-style-type: none"> • At least one athlete must be Qualified for JNR U22 or JNR U17 • The 2nd athlete can move up from YOUTH U15 or YOUTH U13 • Qualifying Round will consist of one (1) Voluntary routine |
| Youth | <ul style="list-style-type: none"> • Both athletes must be Qualified for either YOUTH U15 and/or Youth U13 to make a pair |

- Qualifying Round will consist of **one (1) Voluntary routine**

9.12. Qualification Process & Scores - National & International Streams

- All State organised Qualifying events for the Australian Championships to be held post National Clubs, in the remainder of the year prior to the year of the Australian Championships, need to be presented in writing to the National Commission by National Clubs.
- All State organised Qualifying events for the Australian Championships, held in the same year as the Australian Championships and prior to the close of entries, need to be presented in writing to the National Commission by 1st January of the year of the Australian Championships.
- Once State organised Qualifying events have been presented to the National Commission, no extra Qualifying events can be added.
- For TRP, Time of Flight (ToF) is not used to qualify for Australian Championships.
- State, or Regional “Levels” competitions are eligible to be used as qualifying events.
- Qualification is only from either “International Stream” events or “Levels” Events that are equal to or greater than the Level required to qualify for the particular event as per the Qualifying Standards.
- In Qualifying for National Stream/Levels events, athletes may only compete in the level they have already achieved in competition, or one Level above, independent of athlete’s age. *E.g.: An athlete aged 10 years in the year of the Australian Championships they are trying to qualify for, who has previously achieved Level 7, is required to compete in Level 7 at any Qualifying / Levels competitions.*
- To determine the National Stream qualified if unsuccessful in the Level competed, the score and DD achieved (inclusive of Maximum DD capping or Minimum DD deductions) is used without alteration when considering qualification into lower age eligible National Stream divisions that may have been achieved in the process.
- Athletes who achieve the Youth U13, Youth U15, Junior U17, Junior U22, or Senior qualification requirements in INTERNATIONAL STREAM events, **must** compete in the INTERNATIONAL STREAM for that discipline at the Australian Championships.
- Scores achieved in **FIG approved** International competitions in AGE events will be considered as International Stream events post National Clubs for the purpose of qualifying for the Australian Championships, except 17-21 events which will allow athletes aged 17-21 in the year of the Australian Championships to qualify for Junior U22, and athletes aged 22 or above in the year of the Australian Championships to qualify for National 7 only.

9.13. 2023 & Beyond Australian Championships Qualifying process is as follows:

9.13.1. Qualification for "NATIONAL STREAM" events (TRP/DMT/TUM), from and inclusive of National Clubs by:

- a) Achieving the National Stream qualifying requirements in FIG International/National/State/Regional "Levels" or "International Stream" events for the athlete's relevant level/age to be competed in the year of the Australian Championships):
- b) TRP:
 - 2nd Vol ExToF from the Qualification Round of Levels 5-7, Youth or Junior U17 at Regional Qualifier/State/National/FIG International "Levels" or "International Stream" events, or
 - the best Vol ExToF from the Qualification Round of Junior U22 or Senior at Regional Qualifier/State/National/FIG International "Levels" or "International Stream" events, or
 - Vol ExToF from Finals at State/National/FIG International "Levels" or "International Stream" events
- DMT & TUM:
 - Preliminary requirements from the Qualification Round of Regional Qualifier/State/National/FIG International "Levels" or "International Stream" events, or
 - Finals at State/National/FIG International "Levels" or "International Stream" events

9.13.2. Qualification for "INTERNATIONAL STREAM" events (TRP/DMT/TUM), from and inclusive of National Clubs only by:

- a) Being a member of a National Squad for that discipline in the year of the Australian Championships, **and** the squad member must also compete in a sanctioned qualifying event during the current qualifying period in the year of the Australian Championships
- b) Achieving the International Stream qualifying requirements in FIG International/National/State/Regional Qualifier "International Stream" events for the athlete's relevant division to be competed in the year of the Australian Championships):
- TRP:
 - 2nd Vol ExToF from the Qualification Round of Youth or Junior U17 at Regional Qualifier/State/National/FIG International "International Stream" events, or
 - the best Vol ExToF from the Qualification Round of Junior U22 or Senior at Regional Qualifier/State/National/FIG International "International Stream" events, or

- Vol ExToF from Finals at State/National/FIG International “International Stream” events
- **DMT & TUM:**
 - Preliminary requirements from the Qualification Round of Regional Qualifier/State/National/FIG International “International Stream” events, or
 - Finals at State/National/FIG International “International Stream” events

Please Note: In the year prior, athletes competing in higher international stream divisions in the year of the Australian Championships can attain qualification from the lower international stream division that they are age eligible to compete, if they achieve the qualifying requirements of the higher International Stream division.

9.14. Australian Gymnastics Championships - International Stream

Qualifying for Finals

The 8 best competitors, including the 8 best residential competitors, from preliminaries will participate in the Finals F1, and for DMT & TUM the top 4 placed competitors, including the 4 best residential competitors, at the completion of F1 will advance to F2

- If the number of competitors at the completion of the preliminary competition is ≤ 4 residential athletes, then F1 will be the Final (F2 will not be conducted)
- Finals will be from a ZERO start, with the exception of Synchronised Trampoline.

9.14.1. Trophies and Titles

Only persons whose domicile has been in Australia for the last six months prior to the titles are eligible to hold an Australian Title, except those Australian residents who may have been outside of Australia for all or part of the last six months immediately prior to the competition, shall be eligible to hold the Australian Title, provided that the State/Territory Association with which he/she is registered, is aware of the absence from Australia during this period.

Perpetual trophies shall be awarded each year, to be held by the States winning the National Stream Discipline Team Competitions.

Medals shall be presented to the first three places in each event. (See 9.9 for managing ties)

Perpetual trophies, for international stream events only, shall be presented to competitors on the strict understanding that such competitors shall be responsible for their return at the orientation meeting of the subsequent championships, in good order, clean and ready for presentation at the championships. Under no circumstances may an Australian perpetual trophy be taken from Australia.

9.14.2. Team Event

The Youth/Junior/Senior Team Format provides a state/territory-based team's event in Individual Trampoline, Double-Mini, and Tumbling at National Championships. The competition format will be similar to a World Championships team final to provide invaluable experience of competing in a team's event prior to World Championships.

Seven team final events:

Overall Team

Men's TRP

Women's TRP

Men's DMT

Women's DMT

Men's TUM

Women's TUM

Each Australian State or Territory is permitted to enter a team in all divisions; no alliance (eg. UTA) or international team is permitted.

To assist with timetabling, each State/Territory must enter provisional teams by the close of definitive entries for Australian Championships. Member Associations are permitted to make amendments to the gymnasts in the team up until the end of training on the day prior to the preliminary round of the first International Stream event.

9.14.2.1. Team construction

Each State/Territory is invited to submit one team into each of the six discipline specific listed events specified above. Each team is to consist of a **minimum of three** and a maximum of four gymnasts from either Youth U13, Youth U15, Junior U17, Junior U22 and Senior per event.

No more than three (3) gymnasts per team can be taken from the Senior International category.

All teams must be named by the due date as advertised in the Event Bulletins.

9.14.3. Competition Format – Preliminary Round:

The preliminary round of competition at National Championships will determine the teams that will compete in the final round.

Within the preliminary round, **the scores** of competition will contribute to each team's total score as detailed below:

TRP:

Top 3 2nd voluntary scores only (due to significant rule variations between Youth, Junior, and Senior 1st Voluntary routines)

DMT/TUM:

Top 3 scores for Pass 1

Top 3 scores for Pass 2

The top four teams (States/Territories) in each category will progress to the Team Final. If there is only one team entered, there will be no Team Final, and the one team entered will be awarded 1st place in this circumstance, as long as at least 3 of the nominated team members competed in the preliminary competition.

9.14.4. Competition Format – Team Final:

A maximum of **16** gymnasts in one flight will compete in each final. All finals will be a zero start. All gymnasts must wear state uniform as per GA Uniform Policy.

Trampoline:

Each gymnast in the final will perform **one** voluntary routine. The gymnasts who competed in the preliminary round of competition must also compete in the team final unless withdrawn from competition. In this case, there can be no substitution of gymnasts and the remaining team members will contribute to the final result.

The top three scores per team will contribute to the final team score. The State/Territory with the highest total score is the winner.

Double-Mini / Tumbling:

Each gymnast in the final will perform **one** pass. The gymnasts who competed in the preliminary round of competition must also compete in the team final unless withdrawn from competition. In this case, there can be no substitution of gymnasts and the remaining team members will contribute to the final result.

The top three scores per team will contribute to the final team score. The State/Territory with the highest total score is the winner.

9.14.5. Overall Team

The Overall Team award will be decided on the basis of converting the total score of the No. 1 teams for each of the six discipline/gender team results to a percentage (the top team in each discipline/gender being 100%) and then adding all of the percentages together.

The State/Territory with the highest total percentage will be the winner.

9.15. Australian Gymnastics Championships - National Stream

Qualifying for Finals

At the completion of the event preliminary competition, if there are:

- Less than 30 residential competitors, the best 8 competitors from preliminaries will participate in the finals
- 30 – 49 residential competitors, the best 12 competitors from preliminaries will participate in the finals
- 50 or more residential competitors, the best 16 competitors from preliminaries will participate in the finals

The finals will also include the top 8, 12, or 16 residential competitors (if <30, >=30, >=50 residential competitors competing respectively).

9.15.1. Minimum & Maximum Degree of Difficulty Requirements (National Stream events only)

Minimum Degree of Difficulty Penalty (only applied during the National Stream qualifying rounds)

For completed routines or passes that do not reach the minimum difficulty requirement the following rule shall be applied by the D-Score Judges. The imposed penalty for not meeting the minimum difficulty for the routine or pass shall be equivalent to the shortfall between the difficulty awarded and the minimum required, multiplied by the number of counting E Judges (1 for SYN, 2 for TRP, 2 for DMT and TUM) and applied as a D Score Penalty for the routine/pass. EG: In TRP, Athlete A performs a 2.1 voluntary in an event with a minimum requirement of 2.3, then the penalty of 0.4 (0.2 x 2) shall be applied as a D Score penalty.

- There will be no minimum DD requirements on final round routines or passes.
- Youth U13, Youth U15, Junior U17, Junior U22, and Senior do not have Minimum Degree of Difficulty Penalties applied to the athlete.

Maximum Degree of Difficulty Penalty (applied during National Stream qualifying and final rounds)

For completed routines or passes that exceed the maximum difficulty requirement the following rule shall be applied by the Routine Judge. The imposed penalty for exceeding the maximum difficulty requirement for a routine or pass shall be the reducing of the difficulty to meet the maximum allowed. EG Athlete B performs a 2.5 voluntary in an event with a maximum requirement of 2.3, then the 0.2 excess shall be deducted from the difficulty performed, awarding 2.3 difficulty for the performance by the routine judges.

- Maximum DD requirements apply to Levels qualifying and final round routines or passes.
- Youth U13, Youth U15, Junior U17, Junior U22, and Senior have unlimited DD in qualifying and final rounds.

9.15.2. Team Events

For each discipline a team shall be considered as comprising all the competitors, entered by a Member Association as team members, in each discipline.

The score of the team member or synchronised pair in each event, with the highest number of points after the completion of the preliminaries, *will* be considered as the team score for that event.

The winner will be the team with the highest total of the top four (4) out of a possible six (6) scores for each team.

An interstate team challenge shall be conducted at the Australian Championships. It will be decided on the basis of converting the scores of the No. 1 teams to a percentage (the top team in each discipline being 100%) and then adding the four discipline percentages together.

The State/Territory or Alliance with the highest total percentage will be the winner.

9.15.3. Routine Requirements

Refer to the **Australian Levels Program** for routine requirements for each level.

9.15.4. Routine Requirements National Stream Championships

Discipline	National Stream	Routine Requirements
TRP & SYN All competitors must compete two voluntary routines. Refer to the Australian Levels Program for the relevant level 1 st Voluntary routine requirements.	NATIONAL 5 Under 13 (Min age 9 years)	LEVEL 5 - Combined 1st and 2nd Voluntary Routine Minimum Requirements. Ten (10) element First Voluntary Routine including: <ul style="list-style-type: none"> ● Front and Back Landings <ul style="list-style-type: none"> ○ One (1) element landing on the front or back of the body ● Maximum of five (5) elements with less than 270 degrees of rotation ● No Repeat Elements
	NATIONAL 6 Under 17 (Min age 9 years)	LEVEL 6 - Combined 1st and 2nd Voluntary Routine Minimum Requirements. Ten (10) element First Voluntary Routine including: <ul style="list-style-type: none"> ● Front and Back Landings: <ul style="list-style-type: none"> ○ One (1) element landing on the front of the body AND ○ One (1) element landing on the back of the body ● Maximum of two (2) elements with less than 270 degrees of rotation ● one (1) element with 360° somersault rotation with, at least, 360° of twist. ● No Repeat Elements

	<p>NATIONAL 7 Open Age (Min age 9 years)</p>	<p>LEVEL 7 - 1st Voluntary as per FIG JUNIOR Requirements. 2nd Voluntary Routine Minimum Requirements.</p> <p>Ten (10) element First Voluntary Routine including:</p> <ul style="list-style-type: none"> ● Front and Back Landings: <ul style="list-style-type: none"> ○ One (1) element landing on the front or back of the body ● One (1) element from front or back - in combination with the requirement above ● One (1) element with a minimum of 540° of twist and minimum of 360° somersault rotation ● One (1) double front or double back somersault with or without twist ● Maximum of one (1) elements with less than 270 degrees of rotation ● No Repeat Elements, and all listed requirements cannot be combined into one element

9.16. National Clubs Carnival (NCC)

National Clubs Carnival is a club-based national event. NCC also acts as the first qualifying event for the Australian Championships in the following year.

9.16.1. Competition Events

- Individual Trampoline, Double-Mini Trampoline & Tumbling.
- No Synchronised Trampoline will be contested as part of the National Club Carnival as this is not a discipline of the “Australian Levels Program” and due to the increased bias in points towards Trampoline Discipline Clubs over Tumbling/DMT oriented Clubs.
- Men & Women
- Level 4, Level 5, Level 6, Level 7, Youth U13, Youth U15, Junior U17, Junior U22, Senior

9.16.2. Awards

CLUB TEAM COMPETITION

- | | |
|--|---|
| <ul style="list-style-type: none"> • National Levels Overall Champion Club • National Levels Champion Trampoline Club • National Levels Champion DMT Club • National Levels Champion Tumbling Club • National Level 4 Champion Club | <ul style="list-style-type: none"> • National Level 5 Champion Club • National Level 6 Champion Club • National Level 7 Champion Club • National Elite Champion Club
(Youth U13, Youth U15, Junior U17, Junior U22, Senior) |
|--|---|

INDIVIDUAL TRP, DMT & TUM TITLES

- Level 4 - 1st, 2nd & 3rd each gender
- Level 5 - 1st, 2nd & 3rd each gender
- Level 6 - 1st, 2nd & 3rd each gender
- Level 7 - 1st, 2nd & 3rd each gender
- Youth U13 - 1st, 2nd & 3rd each gender
- Youth U15 - 1st, 2nd & 3rd each gender
- Junior U17 - 1st, 2nd & 3rd each gender
- Junior U22 - 1st, 2nd & 3rd each gender
- Senior - 1st, 2nd & 3rd each gender
- All Round Champion Athlete - 1st, 2nd & 3rd combined genders and all levels/international streams

All athletes placed 4th onwards receive a finalist recognition item by the floor marshal.

All Round Champion Athlete calculation:

- Athletes receive points from the preliminary round (10 for 1st to 1 for 10th if they meet the minimum requirements of the level or equivalent minimum aligned level for International stream)
- Athlete's points for each discipline are discounted by 10% for each level it is below the athlete's highest competed level or equivalent minimum aligned level for international stream
- Athlete's points are added to give a total score
- Tie Break rule of the athlete with points from the most no. of disciplines is ranked highest. If a tie still exists, the tie will remain unbroken.

9.16.3. Qualifying for Finals

Levels Events

At the completion of the event preliminary competition, if there are:

- **Less than 30** residential competitors, the best **8** competitors will participate in the finals
- **30 – 49** residential competitors, the best **12** competitors will participate in the finals
- **50 or more** residential competitors, the best **16** competitors will participate in the finals

The finals will also include the top **8**, **12**, or **16** residential competitors (if <30, >=30, >=50 residential competitors competing respectively).

International Stream Events

The **8** best competitors, plus the **8** best residential competitors, from the preliminaries will participate in the finals **F1**, and for DMT & TUM the top **4** placed competitors, plus the top **4** placed residential competitors at the completion of **F1** will advance to **F2**

- If there are less <= 4 residential competitors at the completion of the preliminary competition then F1 is the final (no F2 will be contested)

9.16.4. Club Team Competition Rules

The club team scores will be calculated from the preliminary competition results only.

Only athletes who have successfully achieved the minimum DD requirement for the level they are competing in can receive points for their club. For team points calculations only, if an athlete has not met the minimum DD requirements, then all athletes placed below the athlete at fault move up one placing, and the appropriate team points are allocated to their clubs.

The first placing, that has met minimum DD requirements, of each event after the preliminary competition will receive 10 points.

2nd place to 10th place will receive 9 points to 1 point respective of their preliminary placing. Only the club's highest placed athlete's score will count for the club score in each event.

A club's best performing athlete's points for each event is added together to obtain the club score with the following allowances:

- **39** best of the **54** possible events count towards the Overall Champion Title.
- **13** best of the **18** possible events count towards each of the Discipline Champion Titles.
- **5** best of the **6** possible events count towards each of the Levels Champion Club Titles.
- The club with the highest score is the winner.

In the case of a tie, a tie-breaker rule will be applied.

- In the case of a tie, the club with results from the greatest number of different disciplines for the particular award being contested is the winner.
- If clubs are still tied at this point, then the club with the greatest number of counting points for the particular award being contested is the winner.
-

A maximum score can be achieved of

- **390** points for the Overall Champion Club Title
- **130** points for each of the Discipline Champion Club Titles
- **50** points for each of Levels 4, 5, 6 and 7 Champion Clubs
- **250** points for the Elite Champion Club (i.e.: **5x50** pts max)

9.16.5. Generic Discipline Rules – Athlete Level

A minimum of Level 3 must be achieved by the close of definitive entries and have been recorded on the National database at Gymnastics Australia for eligibility to compete.

Athletes in individual events must compete in the level passed and recognised by Gymnastics Australia or may voluntarily upgrade one (1) level to compete. Once an athlete voluntarily upgrades in an individual event to compete, then all subsequent national competitions must be contested in that level, unless an official application for downgrading due to special circumstance is submitted and accepted by the State/Territory & National Association. All levels must be processed with Gymnastics Australia by close of definitive entries.

All levels within each discipline shall have minimum and maximum difficulty requirements for the qualifying (prelims) rounds. Maximum DD requirements will apply for finals. Double saults are not allowed in Level 4, and if performed will receive zero (0) difficulty for the element.

Athlete Level Upgrades

The National Commission will monitor Qualifying Events, State/Territory Championships and Australian Championships to determine an athlete's minimum level to compete at the National Clubs Carnival. If an athlete has met the requirements for levels above that recorded or entered for the event, then the athlete will not be allowed to compete at the recorded or entered level.

eg. If a club has only processed or entered Level 4 for an athlete, and the athlete has demonstrated Trampoline 2nd voluntary routine score & DD, or DMT prelim score & DD, or Tumbling prelim score & DD of Level 5 or above during the calendar year of the National Clubs Carnival, then the athlete **will not be allowed** to compete Level 4.

9.16.6. *Minimum & Maximum Degree of Difficulty Requirements (Levels Events only)*

Minimum Degree of Difficulty Penalty (only applied during Levels qualifying round of competition)

For completed routines or passes that do not reach the minimum difficulty requirement the following rule shall be applied by the D-Score Judges. The imposed penalty for not meeting the minimum difficulty for the routine or pass shall be equivalent to the shortfall between the difficulty awarded and the minimum required, multiplied by the number of counting E Judges (1 for SYN, 2 for TRP, 2 for DMT and TUM) and applied as a D Score Penalty for the routine/pass. EG: In TRP, Athlete A performs a 2.1 voluntary in an event with a minimum requirement of 2.3, then the penalty of 0.4 (0.2 x 2) shall be applied as a D Score penalty.

- There will be no minimum DD requirements on final round routines or passes.
- Youth U13, Youth U15, Junior U17, Junior U22, and Senior do not have Minimum Degree of Difficult Penalties applied to the athlete

Maximum Degree of Difficulty Penalty (applied during Levels qualifying and final rounds of competition)

For completed routines or passes that exceed the maximum difficulty requirement the following rule shall be applied by the Routine Judge. The imposed penalty for exceeding the maximum difficulty requirement for a routine or pass shall be the reducing of the difficulty to meet the maximum allowed. EG Athlete B performs a 2.5 voluntary in an event with a maximum requirement of 2.3, then the 0.2 excess shall be deducted from the difficulty performed, awarding 2.3 difficulty for the performance by the routine judges.

- Maximum DD requirements apply to Levels qualifying and final round routines or passes.
- Youth U13, Youth U15, Junior U17, Junior U22, and Senior have unlimited DD in qualifying and final rounds.

9.16.7. Competition Routines/Passes – National Clubs Carnival Levels

Individual Trampoline			
Event	1 st Vol	2 nd Vol/Final	
Level 4	LEVEL requirements (Can use either Level 4 or 4A 1st Routine requirements)	Minimum DD 2.9	Max DD 4.2 Doubleaults are not allowed in Level 4, and if performed will receive zero (0) difficulty for the element.
Level 5	LEVEL requirements (Can use either Level 5 or 5A 1st Routine requirements)	Minimum DD 4.3	Max DD 5.7
Level 6	LEVEL requirements (Can use either Level 6 or 6A 1st Routine requirements)	Minimum DD 5.8	Max DD 7.0 women Max DD 7.7 men
Level 7	LEVEL requirements (Can ONLY use Level 7 1st Routine requirements. Level 7A requirements cannot be used for this event)	Min DD 7.1 women Min DD 7.8 men	Max DD 8.7 women Max DD 9.9 men
Youth U13 (11-12 year)	Youth U13 athletes use Level 6 1st Voluntary Routine requirements	No Minimum DD except for Team Points only (Level 6 minimum DD) Minimum DD 5.8	Maximum DD unlimited
Youth U15 (13-14 year)	Youth U15 athletes use Level 6A 1st Voluntary Routine requirements	No Minimum DD except for Team Points only (Level 6A minimum DD) Minimum DD 6.3	Maximum DD unlimited
Junior U17 (15-16 year)	Junior U17 athletes use Level 7 1st Voluntary Routine requirements	No Minimum DD except for Team Points only (Level 7 minimum DD) Min DD 7.1 women Min DD 7.8 men	Maximum DD unlimited
Junior U22 (17-21 year)	Junior U22 athletes use	No Minimum DD except for Team Points only (Level 7A	Maximum DD unlimited

	Level 7A Routine requirements	minimum DD) Min DD 7.8 women Min DD 8.5 men	
Senior (17 & over)	Level 8 Routine requirements	No Minimum except for Team Points only (Level 8 min DD). Min DD 8.8 women Min DD 10.0 men	Maximum DD unlimited

DMT

- All Levels Stream finals are two (2) optional passes
- All International Stream finals have two (2) rounds dependent on numbers, F1, followed by F2 only if greater than 4 residential athletes compete in F1
- Final round passes may be repeats of the qualifying round passes.
- No repeat elements allowed for the 2x prelim passes, and no repeats allowed for the finals passes

DMT		
Event	Qualifying Round/Final Round	
Level 4	Min DD 1.9 - Max DD 2.8 women <ul style="list-style-type: none"> • Double saults are not allowed in Level 4, and if performed will receive zero (0) difficulty for the element. APPENDIX 1 - Qualifying Requirements for Australian Championships

TRP Qualifying Requirements

2023 & Beyond Australian Championships Qualifying requirements are as follows:
Refer to Australian Levels Program for level requirements.

Event	Age	Requirement	Men		Women	
			Min Vol Score (to be utilised as per the rules of qualifying)	Min Vol DD	Min Vol Score (to be utilised as per the rules of qualifying)	Min Vol DD
TRP National Stream	NATIONAL 5 (Under 13) (Min age 9 years)	Level 5	29.0	4.3	29.0	4.3
	NATIONAL 6 (Under 17) (Min age 9 years)	Level 6	30.5	5.8	30.5	5.8
	NATIONAL 7 (Open) (Min age 9 years)	Level 7	32.5	7.8	32.0	7.1
TRP International Stream	YOUTH U13	Level 6	30.5	5.8	30.5	5.8
	YOUTH U15	Level 6A	31.0	6.3	31.0	6.3
	JUNIOR U17	Level 7	32.5	7.8	32.0	7.1
	JUNIOR U22	Level 7A	33.0	8.5	32.5	7.8
	SENIOR	Level 8	35.0	10.0	34.0	8.8

DMT Qualifying Requirements

Refer to Australian Levels Program for level requirements.

Event	Age	Requirement	Prelim Men Min Score & DD		Prelim Women Min Score & DD	
			Min Score	DD	Min Score	DD
DMT National Stream	NATIONAL 5 (Under 13) (Min age 9 years)	Level 5	40.5	2.9	40.5	2.9
	NATIONAL 6 (Under 17) (Min age 9 years)	Level 6	41.5	4.0	41.5	4.0
	NATIONAL 7 (Open) (Min age 9 years)	Level 7	43.5	6.7	43.0	6.0
DMT International Stream	YOUTH U13	Level 6	41.5	4.0	41.5	4.0
	YOUTH U15	Level 6A	42.5	5.3	42.0	4.8
	JUNIOR U17	Level 7	43.5	6.7	43.0	6.0
	JUNIOR U22	Level 7A	45.0	8.1	44.0	6.8
	SENIOR	Level 8	46.0	9.2	45.0	8.0

TUM Qualifying Requirements

Refer to Australian Levels Program for level requirements.

Event	Age	Requirement	Prelim Men Min Score & DD		Prelim Women Min Score & DD	
TUM National Stream	NATIONAL 5 (Under 13) (Min age 9 years)	L5 - Short Track	37.5	2.4	37.5	2.4
	NATIONAL 6 (Under 17) (Min age 9 years)	L6 - Short Track	39.0	3.6	39.0	3.6
	NATIONAL 7 (Open) (Min age 9 years)	L7 - Short Track	40.0	4.8	40.0	4.8
TUM International Stream	YOUTH U13	L5A - 8 ELEMENT	35.5	3.6	35.5	3.6
	YOUTH U15	L6 - 8 ELEMENT	36.0	4.2	36.0	4.2
	JUNIOR U17	L6A - 8 ELEMENT	36.5	4.8	36.5	4.8
	JUNIOR U22	L7 - 8 ELEMENT	38.0	5.6	38.0	5.6
	SENIOR	L7A - 8 ELEMENT	38.5	6.0	38.5	6.0

** Please note that Tumbling International Stream requirements are currently set at a level to assist with rebuilding the sport at a National Level. These will be reviewed annually and are likely to increase in future years.
